American Adds Additional Buses For This Area

Additional bus service in this area as far east of Pittsburg was inaugurated today for Central Contra Costa County by the Gibson Lines, owned and operated by American Buslines.

First of the vehicles rolled out of the Oakland terminal at 5:25 a. m. followed by others approximately an hour apart. Ordinarily, the first bus leaves Oakland at 8:30 a. m.

Although American Buslines has been operating eight daily buses in this area for some time, the new schedule adds many more daily buses running through here. Central Contra Costa County has been especially hard hit for adequate bus transportation since the Pacific Greyhound strike started 48 days ago.

Majority of buses on the new schedule will turn around at Pittsburg and return through the same area, including Walnut Creek, Lafayette and Orinda.

A complete schedule is to be announced at a later date. A company spokesman said, however, that it takes approximately one hour to drive the distance to Pittsburg from the Oakland terminal. After unloading, the buses will return.

The schedule also includes buses leaving both Oakland and Pittsburg in the afternoons. Persons wishing to use this mode of transportation have been requested to telephone their local American terminal.

Village Parking Set at 2 Hours

Two-hour parking limitation on Orinda Highway and Avenida De Orinda, in Orinda Village, will go into effect in mid-May, as result of an ordinance adopted by the Board of Supervisors Tuesday.

The ordinance had been prepared by the district attorney's office, and had been requested by the Orinda Chamber of Commerce.

Bus Talks Go On; Commuters Paint Signs for Rides

No definite progress is reported in current negotiations between the AFL drivers union and the Pacific Greyhound Lines. Full-scale meetings were resumed earlier this week between representatives of the union from seven western states and the company, in daily sessions presided over by Federal Conciliator Omar Hoskins.

Although no promise of immediate settlement of the 48-day-old strike is yet in sight, the continue meetings appear to be encouraging, in contrast to the national strike picture, in the opinion of members of the Contra Costa County Commuters Association.

THE ASSOCIATION, continuing its drive to provide transportation by private ride pool groups, has begun the preparation and erection of signs on prominent loading spots along the main highway, calling attention to those needing rides and standing nearby.

John Herod of Pleasant Hill, former director of the association, whose ability to paint signs is only one of his many talents, found time over the Easter holiday to alternate between dyeing Easter eggs and painting signs, in spite of the fact that his four children have been quite ill with virus pneumonia.

Thanks largely to his efforts, signs are expected to begin blossoming out this weekend, with hopes of completing the project within the next few days.

CASUAL MIDDAY travelers report some success in securing transportation by means of American Bus Lines (Burlington division) which operates between Antioch and San Francisco. The Commuters Association has received word from the Public Utilities Commission that Burlington has issued orders to all of its drivers that, in accordance with the state law, passengers preferring to stand rather than be passed up must be carried as standees and not refused passage.

The latter condition has been a source of difficulty to many who are forced to depend on this means of transportation at off-peak traveling hours and was brought to the attention of the commission by the Commuters Association, according to John E. McKirahan of Lafayette, chairman of the service committee.

Voters To Decide On Road Bonds At June 3 Election

A county highway bond issue of $10,250,000 will be voted on by residents of Contra Costa County at the June 3 primary, the Board of Supervisors decided this week.

The board, at its regular meeting Tuesday, approved by unanimous vote a resolution to have the special bond issue election fall on the same date as the presidential and direct primary.

INTEREST RATE on the bonds shall not exceed five per cent, the resolution stated. It was pointed out by officials that the bond issue is seen as the only practical solution of the road problems confronting the county. This is due to the fact that road development and improvement in the county has lagged far behind needs imposed by the rapidly-growing population.

Partly because of the recent report compiled by Ralph A. Tudor, San Francisco consulting engineer, the supervisors base their decision to call on the voters for approval of the bond issue.

Tudor made a three months' study of the county's 858 miles of roadway recently. He reported that all projects he listed for early execution are those that come under the heading of most urgent."

HE RECOMMENDED for immediate development a total of 78 miles. This would include one completely new stretch of highway giving a direct route by way of the Cowell area, from Walnut Creek to Kirker Pass, and providing an outlet for traffic from Pittsburg, Antioch and other eastern county regions.

Tudor estimates the program will require four years to complete and stressed the point that the condition of roads will be seriously aggravated if the present deficiencies within the county are not corrected now.

Planners Approve Permit Request By Santa Maria

Recommendation of approval was voted Tuesday night by the County Planning Commission for Santa Maria Catholic Church to construct a church, rectory, school and other facilities to the rear of Orinda Grammar School.

The application had been made by Rev. David Harrington for the Catholic Church, and specified a church, rectory, convent, school (grammar and high), auditorium, gym and playgrounds.

The land is a 14.77-acre parcel on former East Bay Municipal Utility District property, purchased recently by the church for $45,000.

Proposal Set for Review May 1 By 5 Directors

With the matter scheduled to come up at the May 1 meeting of the Central Contra Costa Sanitary District, proposed franchising of garbage collection continued to be a controversial subject this week.

Indications were that attitude of district directors was shifting so that a clear majority was in favor of the franchising. Chairman Elliott Johnson, who earlier had expressed opposition, disclosed last weekend that he now considers the project generally worth-while. Directors R. E. Wadsworth and Harold Toland have stated they are for it.

However, Director William Malott declared he was still against it. Secretary H. M. Smitten has declined to comment.

Meanwhile, garbagemen in the area were reported divided on the issue. A representative of Lafayette Disposal System observed: "We don't know just what we want yet. We don't know what kind of ordinance the Sanitary District is going to have.

"IF THEY ENACT an ordinance so that we garbagemen don't have to pay 'through the nose,' it will be wonderful. If the franchise fee is reasonable, I believe we'd be for it. The setup would protect us against competition."

The Lafayette Disposal representative said his firm and the Orinda Garbage and Refuse Disposal Service, owned by Joe Navone, might make a statement next week. Owners of Lafayette Disposal are Arthur Di Granzia and Louis Repetto. The Sun phoned Navone's home Wednesday night, but Navone was at a meeting, and his wife said she was quite sure he would make no comment this week.

Another garbage collecter, Boyd Olney of Pacheco, could not be reached, but his wife said he might express his attitude soon. Olney collects garbage in various part of the area, coming down to the vicinity of Lafayette Valley Estates.

Calls to the Valley Scavenger Company of Pete Zunino in Walnut Creek and to the Diablo Disposal Service, operated by John Allesandro in the vicinity of Danville, were unavailing.

AFTER THE FRANCHISING suggestion had first been made by Wadsworth several weeks ago, he and Malott were named as a committee to study the problem. They questioned garbagemen. According to Johnson, Wadsworth said some of the garbage firms are fearful of competition and would be willing to enter a franchise agreement.

Malott, however, stated that franchising could result in some operators being "squeezed out" of the picture.

Chairman Johnson explained that if the district goes into garbage-collection franchising, as it has the authority to do, the board would enact an ordinance, advertise for bidders and grant franchises. The district would fix garbage fees.

Johnson said that such franchising is in effect in other sanitary districts and in municipal units.

MALOTT THIS WEEK stated he believed that garbage collection should be handled, as at present, by private firms. "I believe the service can be better given through free competition," he said. "We haven't been able to handle the sewer problem satisfactorily, and now there's talk of going into garbage-collection franchising."

Some proponents state that collection rates under a franchise setup would remain the same as now, and that proper sanitation would be ensured under Sanitary District control.

Some opponents, however, point out that the collection rates could be raised by the sewer board.

County and State To Jointly Finance Road, Bridge Work

Contra Costa County and the state will jointly finance county road and bridge repair caused by this winter's flood, following an agreement approved by the Board of Supervisors.

The count has already posted its half of the estimated $145,000 cost. State engineers of the Department of Public Works investigated the needed repairs. Twenty-two county road and bridge repair jobs were included in the budget.

Application by the county for the work was made in January, requesting state aid provided in an emergency fund set up by 1950 legislative action.

The work is to be completed within 180 days following the signature of the agreement.

Listed in the approved repair work are:

Crow Canyon, slip-out near San Ramon and slides near the the Alameda-Contra Costa County line.

Rheem Boulevard, seven major slides in a five-mile section between Orinda and Moraga.

Overhill Road, slip-out two miles southeast of Orinda.

Martinez-Lafayette Road, slide over half of roadway three and one-half miles southeast of Martinez.

Jonas Hill Road, slide 250 feet long one and one-half miles south of Lafayette.

San Pablo Dam Road, slides and cutouts.

Road between Moraga and San Ramon, damaged by Las Trampas Creek waters.

Supervisors O. K. Survey of Slides

Orinda road problems again came to the attention of the Board of Supervisors Tuesday.

Not only did the board sign a contract for equal sharing of the cost of a county-wide road-repair program, but additional specific Orinda aspects were covered by authorization to new County Road Commissioner Victor Sauer to employ a geologist to make a survey of:

1. — The Rheem Boulevard slide.
2. — The Monte Vista Road slide.

Cost of the survey is not to exceed $500. Both slides are result of last winter's heavy rains.

In another action, the supervisors set May 6, 3 p. m., for opening of bids for resurfacing of Sleepy Hollow Lane.

Duplex Hearing Delayed to 29th

At the applicant's request, Planning Commission consideration of A. B. Gonsalves' application for permission to convert his single-family residence into a duplex, in Oak Springs Unit 2, has been held over to April 29.

The matter had been scheduled for the planners' April 1 meeting, but Gonsalves phoned his request for delay, according to Planning Technician Tom Heaton.

A letter protesting the application was received April 2 from the Orinda Association board. The letter was signed by Secretary Charles Blue.

Marge's Coffee Shop, on Moraga Highway across from the Orinda Theater, is the new name of the former Kelly's Kitchen, and new owner is Mrs. Marge Smith.

The Play's Definitely Absurdia – but Proceeds Will Go for Serious Purpose

When "Absurdia in Suburbia" is presented the evenings of May 2 and 3 at Acalanes High School, the audience will find the mothers and fathers of Orinda acting their zaniest and full of high jinks for what promises to be the most hilarious entertainment yet presented by the Orinda Mothers Club, and all for a worthy cause.

All proceeds from the production are to be used to purchase needed equipment for the Orinda and Glorietta Schools.

Three sets of encyclopedias are to be given to the eighth grade classrooms. Badly needed new curtains for the stage of the Orinda School auditorium are to be donated by the Mothers Club. A collapsible bleachers for the Glorietta School and perhaps the Orinda School will be purchased.

In the last year the proceeds from the annual production have purchased visial aid equipment and library books for the two schools, and band instruments. Each school library was given 50 a month for informative and interesting books for general reading by the students. The visual aid equipment consisted of a slide and movie projector.

With the 1500 from "Absurdia in Suburbia" the previous year, Mothers Club donated to the schools loud speaker sound system for classroom use and playground equipment.

THE MOTHERS CLUB this year also plans to continue the $50 monthly library donation to the two schools with money received from the bridge sections, the children's entertainment programs and publicity that appears in the Sun.

ON STAGE FOR the third annual "Absurdia in Suburbia" will be a cast of 200, according to Jean Downs, general chairman of the project.

Sun Offers 'Slow Down' Signs

To help fill a public safety need in many sections, the Walnut Creek, Lafayette and Orinda SUNS are offering large "Children at Play" signs at cost price.

The large octagonal signs have white lettering on a red background, clearly bearing the words, "Children at Play — SLOW." (See picture.)

They are available at the Walnut Creek Sun office, 1409 Main Street, above Thompson Electric; at the Lafayette Sun and Orinda Sun office at 1000 Orchard Road, Lafayette, and at the Orinda Pixie Shop in Orinda Village.

ALTHOUGH THE regular price for such signs is $2.50, they are being offered, as a public service, at the cost price of $1.75 each, plus tax.

Publisher Herman Silverman announced that the SUNS have arranged with the Frank E. Sellers Sign Company to make the signs. The solid, durable signs are weather-resistant; they are on oil-impregnated masonite. They have been carefully prepared by the Sellers firm so as to withstand the effects of rain and other inclement weather.

SO, IF YOU or your organization needs some of these signs for your neighborhood, just drop into one of the Sun offices or the Pixie Shop and buy them. All purchases are on a cash and pickup basis. Because of the cost-price arrangement, there can be no billing or delivery.

For the time being, no mail or telephone orders can be taken. However, after the first batch of signs are sold, orders will be taken.

And not only so, but we also joy in God through our Lord Jesus Christ, by whom we have now received the atonement" (5:10, 11).

The citations from Science and Health will include the following correlative passage:

"Glory be to God, and peace to the struggling hearts! Christ hath rolled away the stone from the door of human hope and faith, and through the revelation and demonstration of life in God, hath elevated them to possible at-one-ment with the spiritual idea of man and his divine Principle, Love" (p. 45).

About our happy Country Folks

By EDITH BOLMAN

Dear Haffy Haffy Countrjy Flopps &&& Someone has loaned us a typewritter — said instrument in the hands of Mrs. Dan Sheldon, who has been typinf this column, is a docile machine which obediently records everything she has in mind — said machine in our untrained hands is a secretive monster of unpredicatable jumps — unexpected 2s and 3s instead of " and & — and unexplained bell ringing. We are trying to master the monster so please bear with us at least untill we figure out what the keys on the left are supposed to do.

We are sorry to report that Mrs. Sheldon was taken ill last week and is now looking out the window at Peralta Hospital to a view of Pill Hill instead of the magnificent view from her own hillside Orinda home.

AND NOW TO DESCRIBE ANOTHER HOME so generously contributed to the Orinda Branch of the Children's Hospital House tour on May 27. The Provincial Manor house belonging to Mr. and Mrs. Walter Boysen is the large home to the left of the entrance of Sleepy Hollow surrounded by a white timber fence, much land and many trees. If you're 10 years old or younger, you will be entranced with the pond, the willow trees and the ducklings skimming across the water. If you are a teen-ager you will lose your mind over the parquette-floored playroom-den where dancing, televisioning, eating and warming yourself by the fire are more fun than they would be most any place else.

If you are a husband with a yen to barbecue, be sure to investigate the Chinese oven in the patio, where enough steaks for 20 people can be done to a perfect turn all at once. If your a member of the F.B.I. you might be able to get Mr. Boysen's recipe for marinating the steaks, but that is definitely not included in the price of the ticket, and our considered opinion is that you won't be able to get it anyway.

If you happen to have been around during the gold rush days in California, you will appreciate the momentoes from the Mother Lode country in the card alcove to the left of the living room fireplace.

If you are a housewife you will settle yourself in a corner of the kitchen and groan with anguished envy. Tile, wood, paneling and chintz, cozy and decorataive enough to be a living room (and don't ever think it isn't for most housewives) but the last word in effective equipment and appliances.

If you are a collector of keys, note the array hung on the inside of the bar doors — a marvelous conversation piece because they are momentoes of hotels in far places visited by the Boysens' on their many trips.

And if you are an epicure you can envision the average guest "feeling like a donkey between two bales of hay" — torn between admiration for beauty of the room and the beauty of the food just heaved out of the Chinese oven.

And if you are a lady with a yen to entertain your friends — Ah, the living room, opening out to vistas of patio and gardens — we aren't going to tell you about it — let it be a surprise — just don't miss any part of it and note with interest that a room large enough to adequately hold a sizeable number of people is still warm, colorful and coz enough for a tete-a-tete. Call any member of the Orinda Branch for tickets or Mrs. R. K. Smith at Orinda 8268.

EVERY SO OFTEN THERE COMES to Orinda something vitally important for the welfare of us all. Something which gives us an opportunity to contribute to a national need, thereby showing what an up-and-coming little community we are.

If someone asked you to help your neighbor, of course you would do it. If someone asked you to save a life, of course you would do it. Your chance to materially aid your fellow-man will be given you on May 5, when the Blood Bank visits Orinda. Naturally, you have all heard and read about the Bloodmobile and many of you have already donated, but there are several fascinating items you might not have run on to.

For instance, the first blood donor center was opened in January, 1948, in Rochester, N. Y. The Stockton Regional Center, the first west of the Rockies, servicing Orinda, Walnut Creek, Lafayette and Danville, was opened shortly thereafter. The registered nurses on the staff went to Bethesda Hospital for a three-week training course to learn thoroughly the Blood Program under the guidance of the Red Cross Center.

Unit II of this Blood Program is the Traveling Mobile and is staffed by eight nurses and two custodians. Their first trip over a period of two weeks took them to Redding, Alturas, Mount Shasta and Dunsmuir. In February of this year they covered Reno, Susanville, Herling and Westwood. The rest of the time they spent near and around "home base" which includes, periodically, Orinda.

Personal interjection at this point: Mrs. W. H. Margerine, who was kind enough to ferret out this information for us, writes: "I had such high hopes of getting human interest stuff for you, for every single girl in the unit with which I've been privileged to work as a nurse's aid seems to be such a vital, interesting person. Perhaps the descretion of their profession makes them naturally reticent, at any rate, no amount of coaxing would make them talk!" In other words, if your toupee falls off, no one will know.

And like any other important performance in your life you should make certain definite plans. Inasmuch as we are all interested in food, let's digest the following suggestions of the Red Cross:

Please do not eat any fatty foods for four hours before you come in to donate blood. The following are suggestions for food that can be eaten: Clear broth, dry toast, plain bread and jam, crackers, roast beef — no butter or mayonnaise; any vegetable served without butter; fruit or vegetable salad — no dressing; fruit juices; coffee or tea without cream or milk.

Please exclude the following: Milk or milk products; pastry or eggs.

Some other important facts obtained directly from the Red Cross:

1.—Blood actually does more life-saving jobs than surgery or drugs.

2.—Over 70 per cent of battle wounds produce shock — a major cause of death. Plasma counteracts shock as well as replacing the fluid portion of blood that may be lost in an injury.

3.—Does blood convey the owner's personal traits? Only one trait is conveyed in a blood transfusion — an appreciation of remaining alive!

So on May 5, while you are trying to figure out how you will possibly have time to make it to Orinda Community Church between your bridge game and your golf game and your regular rampage through the grocery store, just remember one dominant fact — THE LIFE YOU SAVE MIGHT BE THE LIFE WHICH IN TURN MIGHT SAVE YOURS.

THE KIRK MILES' are off for a European jaunt. Mr. and Mrs. Sumner McAllister gave a going-away cocktail party for them, and Mrs. Miles displayed her European trousseau and luggage for the envy and edification of all the lady guests.

Now don't get us wrong, the Miles' have been married for several years but the apparel display was most bridey — and a thrilling start for any lass off on a trip.

The Rev. and Mrs. Young from Berkeley are occupying the Miles' home in their absence, and son Dicky will be going to Glen Taylor School and son Tommy to Bentleys (you see, we told you they weren't bride and groom).

While in London Mrs. Miles, active in drama groups, will visit as many theaters as possible, and while in Holland they will team up with the Seaver Ballards from Orinda for a two-week escapade on the French Riviera. We should be able to get a good one for you out of that.

WE HAVE READ IN MAGAZINES about the efficiency of giving two parties within a few days of each other, thereby using the same flower arrangements, and you only have to get out and put away the company silver once and for all.

Well, we finally found someone who does such things, and a very effective idea it seems to be.

Mrs. Wallace Greenlaw entertained on Tuesday and Thursday of one week with bridge luncheon parties, and the house looked beautiful, the garden looked beautiful and the guests looked beautiful — spring hats again — so it was certainly a beautiful idea.

VISITORS' DAY AT DIABLO COUNTRY CLUB recently, and one of our local links lassies lambasted the course for a net 78 (Mrs. Frank Fee, who was the guest of Mrs. Ted Beckett) in spite of cavorting around on one of the greens in a most uncustomary manner for good golfer Fee.

If it hadn't been for that, our local lamb would have lambasted the course for an even lower net. She won some golf balls, too.

Combination of ideas for a good party — visitor from Honolulu, Rockey Allen, excellent Dutch oven, not for the visitor from Honolulu but for the most pre-inflation looking steaks — charming hosts, the Walter Boysens, and some assorted souls assembled for a gay evening of eating, dominoes, dancing, bridge and general fun.

Varied Program At Meetings of Women's Guild

On April 1, Sections 1 and 2 of the Women's Guild met at 10 a.m. in Orinda Community Church, with Mrs. Charles Pimentel and Mrs. James Hupp, chairmen, presiding at their respective sections.

In Section 1, the devotions were given by Mrs. G. Chester Brown on the theme, "The Importance of Handicaps." Mrs. Lance Barden reviewed chapters in "We Americans, North and South.

In the business meeting this group to meet hereafter in homes, but to attend also the general meetings at 12:30 in the church. Next meeting will be on May 13 at the home of Mrs. Ben Randall.

SECTION 2 enjoyed hearing Mrs. Richard Hafner read letters from her son, Richard Jr., now in Indonesia.

All sections met in the Church Hall for luncheon, a business meeting and a program. The table and hall decorations, in a Central American theme, were by Mrs. J. Almond. Hostesses were members of section 3.

The devotions were given by Mrs. David Jones, who told why she and her husband had decided to go to India, where they will teach in a Bible school.

Mrs. Willis Branch, program chairman, introduced Mrs. D. P. Krotz, who told about and showed colored slides of her family's travels in Central America last summer.

Each of the Central American countries, she said, is different from the others in costumes and customs. Guatamala seemed to them more foreign than did Mexico. The Indians had never been subjugated to the extent that the Mexican natives were.

The children on the trip didn't miss their milk too much, for they enjoyed the fresh pineapple juice. The adults didn't enjoy the bitter coffee. American bottled drinks replaced water, which was not safe to drink.

Thailand Visitors Here as Guests of The George Mateys

Distinguished visitors at the home of Mr. and Mrs. George Matey during Easter week were Mr. and Mrs. C. W. Levau of Bangkok, Thailand, formerly Siam.

Mr. Levau is chief of agriculture for the NATO to the government of Thailand, and returned to the United States for a brief leave after two years of government duty in Thailand. He and Mrs. Levau are now on a trip around the world. They will visit New Orleans and New York, then sail on the Queen Mary to Europe and travel on the Continent before sailing through the Suez back to Thailand.

Before assuming his post in Thailand, Levau was stationed in Seoul, Korea, and both he and his wife were evacuated when that town was first taken by the North Koreans.

Delphian Seminar On 'Personality'

To better understand the adolescent individual, members of Orinda's Chi Lambda Chapter of Delphian Society will meet in a seminar session entitled "The Total Personality—Adolescence and Adulthood" on Monday at Orinda Community Church.

Under the chairmanship of Mrs. Joseph A. De Maria, the program will be divided into four sections.

Mrs. Karl E. Fitch will open discussion on "Adolescent Rebellion;" Mrs. M. Pierce Milton will speak on "Psychological Development;" Mrs. Kenneth K. Renwick, "The Individual and Society," and Mrs. Walter R. Barnett, "Aggressive Drives."

Hole-in-One Benefit Gets Start Tomorrow

Third annual Hole-in-One Contest sponsored by Manzanita Branch of Children's Hospital of the East Bay will be conducted over two weekends starting tomorrow at Chabot and Tilden Municipal courses. Proceeds will help to underwrite the hospital's deficit for care of part-pay patients.

Final week-end of hole-in-one play will be on April 26 and 27, when contestants will compete at Sequoyah, Orinda, Mira Vista, Claremont and Alameda courses. Among the assisting pros will be Pat Patton of Orinda.

Mrs. Sheldon Ill With Pneumonia

Mrs. Dan Sheldon of 42 Los Altos Road was in Peralta Hospital in Oakland this week, with pneumonia. She entered the hospital last week.

This is the third time within 16 months that Mrs. Sheldon has been ill with pneumonia.

Social and Clubs

Motts Enjoy Desert Camping Vacation In Southern Calif.

Mr. and Mrs. William Penn Mott Jr. and Bill and Nancy were joined by the Mason Whitneys of Berkeley and Mr. and Mrs. E. T. Carlander and their two teen-age children of Mount Rose for a delightful Easter vacation camping trip in Southern California.

They set up camp first in Anza Desert State Park. In Borego Camp they found the "romandas," roofed over and open on the sides, with fireplace, tables and benches.

They enjoyed the swimming pool and walks through the flower strewn desert. Poppies, fiddleneck, lupines, all kinds of desert cacti, and yuccas, presented the finest wild flower show since 1944. True, there were evidences of the invading army of sphinx moth caterpillars, but as they didn't crawl about at night, none got in their sleeping bags.

They saw the sights about Palm Springs and then drove on to Huntington Beach, where they called on Mr. Mott's relatives and also did a bit of fishing.

Their last camping-out was in Carpentera State Park, near Santa Barbara.

The Motts had never seen the desert in springtime before, so they felt this camping experience was a rare treat.

Plenty 'Cooking' At Library Here

"What's cooking?" Everything from snacks to crepes suzettes, for the small family or a mob, in cook books included in Orinda Branch Library's new consignment from Contra Costa County Library headquarters in Martinez.

Hutchinson's "Pennsylvania Cook Book," Marvel's "Cook It Ahead," Richards' "Quantity Cookery" are recent works described by their titles, and Parrishs "An Alphabet for Gourmets" is a tasty compilation of alphabetically arranged chapters on cooking and eating good food, by the author of "How to Cook a Wolf."

Two new exposes of Communism are Philbrick's "I Led Three Lives" which reveals without hysteria Communist activities in this country, and Ravines' "The Yenan Way," an account of Soviet tactics in Latin America.

"Let It Come Down," a story of an American's disintegration in North Africa, by Bowles; "The Blessing," witty English novel by Mitford; "Dance to the Piper," Agnes De Mille's own story of her life, and two books of particular interest to teen-age girls, Summers' "Open Season" and Cornell's "Glamour Guide for Teens," are other current favorites.

The balance of this new collection is made up of other adult books, both new and old, and additions to the children's shelves. Complete listings of added titles may be found in the Orinda library, in the Community Church Building, open Monday, Wednesday and Friday from 2 to 5 p.m. and Monday evening from 7 to 9.

Tea at Home of Mrs. Dean Lippi

A flower arrangement tea was held at the home of Mrs. Dean Lippi of 15 St. James Court, Tuesday to raise funds for expenses of the June 7 and 8 "Orinda Roundup" at St. Mary's College, a benefit for the Santa Maria parish school building fund.

Mrs. Del Fager was in charge of the tickets. Mrs. William Fiset assisted in arranging for the tea.

Fathers And Sons Dinner Date Changed

Date of the Fathers and Sons Dinner of Cub Pack 211 has been changed from May 2 to May 9 because a number of parents are interested in attending the variety show, "Absurdia."

A meeting of den mothers and officers will be held May 5 at 8 p.m. at the home of Paul Douglass to arrange last-minute details of the dinner.

YES, YOU CAN do something about taxes, government, local problems. Keep informed, participate, register and vote.

Spring Cook-Out By Girl Scouts

Girl Scout Troop 75 had a spring cook-out April 5 in Joaquin Miller Park. For some of these fifth grade girls it was the first experience in campfire cooking.

In the afternoon Pat Covel, the park naturalist, took the girls on a nature hike.

Tomorrow, Mrs. Gig Groennings is giving a Norwegian luncheon for the patrol leaders, Nancy McFarland, Heidi von Guenthner, Roxine Huntley and Sheryl Studley.

Last event for Troop 75 before the summer vacation will be its Court of Honor at the Scout Hut on May 29. The girls are working on a play they will present at that time to their mothers and other guests.

General and Wife Guests of Bralys

Brigadier General and Mrs. Edward Danforth were recent guests at the home of Colonel and Mrs. William C. Braly.

General Danforth and his family recently returned from Guam, where he was in command of U. S. Army forces on Guam. He is now commanding general of the Northern California military district, with his headquarters at Fort Scott.

Clipper Progressive Dinner Next Friday

Clipper Club is planning a progressive dinner for next Friday evening, April 25.

Jane and Pete Englesman and Edith and Horace Breed are in charge of the evening's refreshments and program.

Reception Will Honor 53 New Church Members

A social reception honoring 53 new members who have joined the church in the past year will be held in connection with the Orinda Community Church's monthly church night program Wednesday, April 23.

Special guests for the occasion are Bishop and Mrs. Ralph Ward, recently returned from China, where Bishop Ward was the senior representative of the Methodist Church. The couple is in the area for the San Francisco meeting of the Bishop's Council and subsequent Annual Conference of Methodists of the United States. Mrs. Ward is a cousin of Mrs. Lance Barden of Orinda.

The popular "potluck" method is to be followed in this affair, with families attending. Phone reservations are being taken by Mrs. Harmon, Orinda 4621, and Mrs. Schilling, Orinda 2887. Mrs. Schilling and Leland Atkins head the committee of the Diaconate responsible for the reception.

Versatile Dahlias–Small or Large–Occupy Important Space in Any Garden

By BERT WRIGHT

Dahlias are among the most versatile of flowers. From the small and medium sizes right up to the awe-inspiring giants, they fill an important place in any garden.

You may plant dahlias just as soon as the danger of frost is past. For the taller growing sorts, allow three feet between plants. This space may be less for the miniatures, but no matter what type they may be, crowding should be avoided.

Before planting, drive a five-foot stake well into the ground. Make holes eight to 10 inches in diameter and mix thoroughly one heaping tablespoonful of complete plant food with the soil in the bottom of the hole.

Place the tuber on its side in the hole, with the sprout end toward the support and cover it with soil in which you have mixed one tablespoon of complete plant food.

AS THE PLANT GROWS, the stem should be tied to the stake with a soft tying material, such as strips of strong cloth about an inch wide. Do not use string because it may cut through the hollow stalks.

From planting time until they bloom, dahlias should be cultivated twice a week to keep weeds under control. Every six weeks spread one tablespoonful of complete plant food evenly over each square foot of space around each plant. Be sure to keep the plant food away from the stalk of the plant, and work it thoroughly into the soil.

While it should not be practiced with collarettes, miniatures, etc., where a wealth of bloom rather than size of bloom is the goal, disbudding and pinching back may be practiced, if desired, with other forms.

When your plants reach about one foot in height, pinch back the tips so that two sets of two leaves each remain upon the plant. If you wish to disbud your plants, remove all buds until August 1. After this date they can be permitted to mature.

AT THE END of each flowering stalk, flower buds will appear. There will be a center bud and two side buds. Below the tip, three more buds will appear where the leaves meet the stalk.

For large blooms, allow only the center bud to remain. Follow the same procedure for the two series of buds below those at the end of the stalk.

Dahlias have a great many enemies. To keep them healthy a regular dusting program is necessary.

FOR BEST RESULTS, begin your dusting as soon as the plants leaf out and continue it at seven to 10 day intervals throughout the growing season.

After the first frosts have killed dahlia plants, cut down a few inches above the ground. Dig the roots and turn them over for a time until they dry.

Then store them in a dark, cool basement where there is sufficient humidity to prevent drying out.

'Something to Hold To' - Topic Of Sunday Sermon

The sermon at Lafayette Community Methodist Church Sunday will be on the topic, "Something to Hold To in Tough Times."

"Easter with all its glory has shown mankind the desire of many of us for something that is eternal," the pastors, Bishop George A. Miller and Rev. Harry E. Shaner, state.

Church School for first grade and up is at 9:45. Morning worship is at 11. Church School for kindergarten and younger children is at 11.

A potluck dinner will be held after church, with Dr. Richard Myers as speaker. Dr. Myers, of the College of the Pacific, has made a partial survey of the church needs in Lafayette. There will be time for questions.

Orinda Roundup Queen Committee Announces Plans

With an increasing number of applications being received daily, members of the "Orinda Roundup" Queen Contest committee today announced plans for final selection of the Orinda or Lafayette girl who will reign as "Miss Orinda Roundup" during the June 7 and 8 celebration at St. Mary's College, Moraga.

Del Courtney, radio and television star now appearing with his orchestra at the St. Francis Hotel in San Francisco, will act as one of a panel of judges in selecting the local girl who, by becoming "Miss Roundup," will become eligible to compete for the "Miss Oakland Centennial" and "Miss America" crowns.

Selection interviews will be held during the coming week, with the winner's name to be announced in next Friday's edition of the Sun, according to Rudy Rasmussen, Roundup chairman. Applications may still be made by writing name, age, and address to 10 La Vuelta, Orinda, or by telephoning Orinda 3874.

Dr. Steiner Had Luncheon with Mahatma Gandhi

To be chosen as one of 23 women in London to have luncheon with the late Mahatma Gandhi during his final visit to England because of her interest in the health and welfare of her fellow man is one of the many experiences of Dr. Charlotte M. Steiner, now a resident of Orinda.

Dr. Steiner, who has recently opened offices at 61 Moraga Highway at Orinda Crossroads, has had many varied and interesting experiences such as the meeting with Gandhi during her 26 years of work in dietetics and therapeutics.

Among her friends in England, Dr. Steiner found Dr. A. J. Cronin famed writer, perhaps the most interesting, although she also enjoyed knowing the late playwrite, George Bernard Shaw, who was also vitally interested in diet and food.

Graduating from London University in 1925 with a B. S. degree in biochemestry and physiology, Dr. Steiner traveled to Canada, where she worked for several years with Dr. Stuart Wright in Toronto. Here she did research work in the problems of arthritis and in diatherapy.

Later she returned to London and worked for four years with Lord Dawson, physician to the late King of England. She also studied in Germany and Switzerland.

In 1946 Dr. Steiner came to New York, taking graduate work at Columbia University, and then studying at the Chiropractic Institute of New York for four years. She came to California for special training in physical therapy and electric therapy and liked it here so well that she decided to stay in this area and open professional offices.

Busy Agenda for Job's Daughters

Mrs. Betty Monsees, Grand Guardian of the State of California, is to visit four Bethels of Job's Daughters tomorrow at the Brooklyn Temple in Oakland. The four Bethels are Bethel U. D. of Lafayette, Bethel 1 of Oakland and Bethels 88 and 175 of San Leandro.

The losing side must give a party to the winners, the losers eating mush and and the winners, party food. Shirley Gee, Junior Princess, is chairman of the decoration committee. Karen Andree is chairman of the refreshment committee. Clean-up chairman is Peggy Boevers.

Bethel U. D. is planning a cake sale at the Lafayette Dime and Dollar on April 26. Shirley Gee is chairman.

A. F. Stiegler Dies Following 2-Week Illness

August F. Stiegler, 75, of 55 Oakwood Road, died at St. Luke's Hospital in San Francisco Monday night after an illness of two weeks.

Stiegler, a tailor, was owner of Stiegler Brothers in San Francisco. He was born in Germany and came to the United States as a small boy. He had lived in Orinda 10 years.

Survivors include his widow, Mrs. Dorothee Stiegler; three sons, Eugene Stiegler of Berkeley and Dr. August F. Stiegler and Edward Stiegler of San Francisco, and a nephew, Albert Schmidt of Sleepy Hollow, Orinda.

High mass services were held Wednesday morning at St. Boniface in San Francisco. A cousin of Stiegler's, the Rev. Laurence Mutter, conducted the services.

Burial was at San Francisco's Holy Cross Cemetery. Gray and Company handled the arrangements.

'Church-Going Good All Year' Says Rev. Morrow

People who "made the break" on Easter and found church-going interesting and inspiring will find attendance at their chosen church is equally valuable on any Sunday of the year, states Rev. Fred Morrow of Orinda Community Church.

"If anyone's 'natural' church home is the Orinda Community Church, he will be cordially welcomed there Sunday morning at either of two morning services, at 9:30 and 11," says Rev. Morrow.

At both hours classes are conducted for children in the basic content of the Bible, and at 9:30 a discussion conducted by Dr. Butcher and Dr. Price is provided for adults, especially parents who wish to attend at the time their children are in classes.

At 11 Rev. Morrow will speak on the subject "I'm Glad I Took This Job," a sermon on the vocation of the ministry.

The Chapel Choir will sing under direction of Margaret Popovich. The male ensemble, under her direction, will sing two Bach chorals — "Alleluia, We May Be Filled With Gladness," and "Thou Prince of Life, O Christ Our Lord."

Church Filled For Easter Rites At St. Stephen's

At St. Stephen's Episcopal Church services Easter Sunday, Orinda Community Church was filled to capacity, with chairs set up in the aisles and vestibule. Canon Kenneth E. Nelsons' warm, personal delivery of the Easter story stressed the importance of living lives of permanent value, likening them to the sculptor's work in marble rather than snow.

The Sunday School children brought flowers for a flower cross and presented their mite boxes, which were blessed at the altar by Canon Nelson, before the children went to their classes.

Masses of white tulips, stock, callas and Easter lilies transformed the chapel into a living example of the rebirth of nature at Eastertime. It made a lovely background for the singing of Oldroyd's Third Communion Service, along with the traditional Easter music.

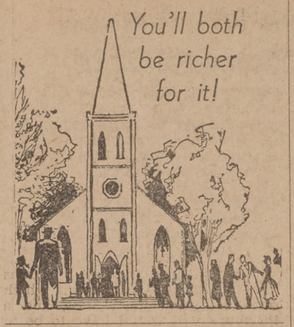

St. Stephen's is grateful to all those who helped make its second Easter in Orinda such a success, and wishes especially to express gratitude to Rev. Fred Morrow for his invitation to use the facilities of the Community Church for the occasion.

This Sunday, Dr. Charles Whiston will be back from his Eastern tour and will conduct services at the regularly-scheduled 5 o'clock hour at the Community Church.

Easter Dinner Guests

Dinner guests at the home of Mr. and Mrs. Cal Unnevehr of 100 Tara Road Easter Sunday were their mothers, Mrs. Harland Mossman of San Francisco and Mrs. George Unnevehr of Berkeley, and also Mr. and Mrs. Charles Griffith of Berkeley.

Miller, Mr. and Mrs. Duane Peterson, Carolyn Ward, Mr. and Mrs. Don Whitehead, Patricia, Joan and Vicki; Mr. and Mrs. Val Witte and Mr. and Mrs. Milton Zimmerman and Wayne.

Mrs. A. W. Massie Flies to Hawaii

Mrs. A. W. Massie of Upper Happy Valley Road left Tuesday by Pan-American Clipper for Hawaii for a month's stay.

On the eve of her departure, Mrs. Massie was guest of honor at a family party at Planters Dock, where Messrs and Mesdames Standish Massie, Harper Massie and Ramsay Underwood gathered for a bon voyage dinner.

Where From Here? Is Sermon Query

The Rev. Joel S. Peterson, pastor of the Lafayette Covenant Church, will speak at the Sunday morning service on "Where Do We Go From Here?"

"We have just completed the Easter festivities," Rev. Peterson says. The question now arises: "What Now? Where do we go from here?" For too many it will mean a 'let down' until next Christmas or next Easter. Not for the true Christian, however."

The 7 o'clock service will include singing of the hymns and special music. The pastor will speak on "Your Emotions in Religion."

Easter Sunday saw a record attendance both at the morning service and the Sunday school. The evening audience saw the sound color film, "Congo Missionary Trails," depicting the work of Covenant missionaries in the Ubangi district of the Belgian Congo.

Legal Facts to Be Told to Two Departments

Members and friends of the Lafayette department are invited to meet at the Lafayette Community Church at 1, and will then leave in cars for Orinda. Further information may be had by phoning Lafayette 4988.

14-Year-Old Barbara Stark of Orinda Wins U. S. Swim Title, Smashes Record

Barbara Stark, 14-year-old Acalanes freshman, startled the athletic world last week when she captured the senior women's 200-yard backstroke event held under the auspices of the National Amateur Athletic Union at Daytona Beach and broke the record in doing it.

The event was in the annual national competition for women, and a 14-year-old girl winning and breaking the record made headlines across the nation.

Barbara, daughter of Dr. and Mrs. R. A. Stark of 555 Manzanita Drive, Orinda, stands 5-6½ and weighs 124 pounds. Her time for the 200-yard event was 2:27.5 which smashed the mark of 2:28.8 set by Gloria Callen back in 1942.

She represented the Berkeley Women's City Club, and oustetd the former champ, Mary Freeman of Washington, D. C.

Barbara came within .2 of a second of being a double winner when she swam the 100-yard backstroke in 1:09.2, only to be edged by Maureen O'Brien, who went the distance in 1:09.

BARBARA'S way to the top began at the age of 11, when she first learned to swim at the Orinda Country Club pool. In the course of time she began to enter meets.

She really began to go to town when she went under the wing of one of the Bay Area's top coaches, Laurabell Boostaver, who switched her to the backstroke, and she has been a winner from that time on.

SUCCESS HAS NOT been an overnight affair, however, as Barbara is a conscientious worker and puts in many hours each week perfecting her style and building her endurance. Many days she trains from three to four hours.

Next event will be the Olympic trials, and on the basis of her showing in the National meet she is almost a certainty to make the Olympic Games team and win a free trip across the pond.

Olympic Events At Hunter Trials

Genuine Olympic Games equestrian events, such as will be competed at Helsinki, Finland, this summer, will be presented at the Fourth Annual Spring Hunter Trials at Concord May 10 and 11.

Co-Chairmen Don Marquis and George Walling of the Hunter Trials disclosed that entries for the Olympic Games events to be staged locally, as a side feature to the show itself, have been mailed to prominent horsemen and women of the West and to riding clubs.

They pointed out that the United States Olympic equestrian team has been selected for the 1952 games, but that the United States Equestrian Team authority in New York City has already started plans for the 1956 Olympics. The Concord events will become part of the authorized national program.

Plans Begun for Republican Rally

At a meeting at the home of Mrs. E. C. Scofield, representatives of the Walnut Creek Republican Women's Club, Walnut Creek Young Republicans Club, Lafayette Young Republicans Club and Lafayette Republican Women's Club laid the groundwork for a Republican rally at Acalanes High School on the evening of May 28, a week before the primaries.

Republican candidates for Congress, Senate and State Assembly have been invited to speak and will be available for questions. Entertainment is also being planned.

Competition A-Plenty for Dons Next Week

Next Tuesday afternoon the swimmers of Coach Lee Arth meet a top-rated team when they host the Palo Alto paddlers in the local pool.

The Dons have been meeting top-flight competition all season long and have been more than holding their own.

The Don Bees are an undefeated aggregation and are favorites as a result, while the Acalanes Varsity rates a toss-up with the invaders.

THE ACALANES GOLF team tangles with Pittsburg High at the Steel City links next Friday afternoon, April 25.

Led by Northern California Junior Champ Dave Cranston, the Dons have a low-stroking team which rates as the county's best, and a Pittsburg win would have to be in the upset class.

THE DON TRACK lads return home for another meet on the Acalanes oval, with El Cerrito, Las Lomas and Alhambra furnishing the opposition next Thursday. Opening event is slated for 3:30 p.m.

The Dons are coming down the home stretch with an eye on the county title and appear to be too many and too strong, so look for Coach Eaton's Varsity to chalk up another win with Coach Lord's Bees slight underdogs.

THE HORSEHIDERS face a busy and important week.

The Junior Varsity meets Diablo on the local diamond next Friday, while the Varsity plays an all-important tilt at Diablo, with the winner to be established as a favorite to cop the elusive county title.

At this writing the Dons are in the lead by virtue of having played three games to Diablo's two. Both nines are rated as the co-favorites in the pennant race, and the winner of this one will definitely have the inside track.

The Dons play Albany High at the Acalanes diamond today, and while the Dons rate a slight favorite, the margin is small in view of Albany's 11-1 win in its last time out against John Swett of Crockett.

THE TENNIS TEAM meets Albany at the Acalanes courts at 3:30 p.m. today, and Diablo at the Concord courts next Friday.

It looks like wins for the Dons, who have as yet to lose a match in league play.

They have shut out the opposition with a clean sweep each week.

Barbara Stark, 14, U. S. Swim Winner, Is Favorite for Spot on Olympic Team

By ERWIN MATTSON

A LOT OF INTERESTING THINGS, from the local sports angle, have happened the past week. On the basis of those events, many more are bound to happen in the not too distant future.

This general area, including Acalanes High School, hit the headlines in a national way when Barbara Stark of Orinda brought home from Florida the national title in the 200-yard back stroke and came within inches of winning the 100-yard event.

Barbara is 14 years old and a freshman at Acalanes, where she is definitely a heroine in the eyes of her schoolmates.

Her performance was a remarkable one and means that she is a top favorite to win a place on the Olympic team, come the summer time trials.

One thing that is important is that Barbara set a goal and worked toward it. She tasted defeat before victory was hers, but it only whetted her appetite to get to the top. Her training schedule has been a rigorous one, with many hours devoted to perfection of form and endurance.

For a 14-year-old girl to win a national title is remarkable. To set a record in doing it is not far short of a miracle.

ORINDA PRODUCED another champion when Dave Cranston, ace of the Acalanes golf team, captured the Northern California Junior golf title at the contest during Easter vacation in San Francisco.

Dave has played some remarkable golf, and when the occasion has required it he has been able to come from behind, which is the test of a champion.

Dave has a big cup to show for his efforts, or, rather, will have as soon as it is returned from the engravers, where his name is being put on it.

Congratulations to Barbara and Dave for play well done!

ALHAMBRA HIGH SCHOOL played a night baseball game against Sacred Heart High Tuesday. It marked Alhambra's first after-dark game of the season, with only one other scheduled, against Mt. Diablo at a date late in May.

In general, night ball has not worked out, due to the fact that the weatherman sends too cold weather.

The best nights are in early fall, when football season is on. Spring and so-called summer nights, on the whole, haven't worked out too well.

ERIC MURRAY has been heaving the iron ball with lots of zest the early part of this week, with practice tosses well over the 50-foot mark. The best has been several inches beyond 52 feet.

Eric's trouble has been in moving too slowly across the ring and hesitating before his put.

Despite his error, Eric has been winning the number 1 spot in meets, and now appears a cinch to win the county meet.

Coaches Charles Eaton and Bob Stevens have worked with Eric. Now that he has the idea, he may consistently go well beyond the 50-foot mark from here on in.

Art Siler has been on the sick list but is on the mend and should be ready for the county meet.

That will assure additional points in the shot and discuss, all of which points to another county championship for the Dons.

ST. MARY'S COLLEGE is getting back into the baseball picture and plans on a modified schedule. It did seem a shame for St. Mary's to drop baseball, especially in view of their fine facilities and past reputation in the diamond game.

On the basis of student enrollment, St. Mary's has probably produced more top ball players than any other school on the coast, if not in the county.

The revival is to be a gradual one, with emphasis on playing for fun and giving an opportunity to those who like baseball.

SPEAKING OF BASEBALL, Lafayette American Legion Post 517 is once again sponsoring a nine, as it has for the past 10 years.

The post has an enviable record of backing a Junior nine composed of boys 17 years and under. Several posts in the county have sponsored teams at irregular intervals and some have never seen fit to take part in the baseball program.

The Lafayette Legion has made it an integral part of its program and is to be congratulated for its stand.

Dons Drop Two Baseball Tilts To Castlemont

The Acalanes Varsity and J.V. nines traveled to Oakland Tuesday afternoon and lost a doubleheader to Castlemont High. Varsity score was 3-0; J.V. tally was 2-1.

The games were practice tilts, with both squads using every player.

IN THE VARSITY game, Bob Westlund hurled the first four frames and threw effective ball as he struck out five and allowed one run on three hits, two of which were of the scratch variety.

Bob Borghesani took over in the fifth frame and gave up two runs on two hits while striking out four.

John Bowron, Dick Fey and Bob Dwight hit safeties for the Dons.

The game was fast and exceptionally well played, with the Castlemont Knights coming up with some outstanding plays whenever a Don rally appeared imminent.

IN THE J.V. tilt, it was a pitchers' duel all the way, with Rick Johnson, doing the hurling for the Dons, striking out seven while yielding six hits.

It was all tied up with neither team denting home plate going into the sixth, when Castlemont tallied twice on two hits and a walk.

The Don Babes came back swinging in the top half of the seventh.

Stan Mumford and Richard Munn went down, one on a missed and the other on a called third strike. Bob Gray drew a base on balls aftetr a 3-2 count and went to second on a wild pitch, scoring standing up, when Dale Isaacs cracked a single to right field.

John Olcott was on and Isaacs went to third when the second baseman missed a ground ball.

Red Jones was next at bat, and with a 2-2 count drove a hard ball to short which was muffled, only to be recovered in time to end the ball game when Olcott was forced at second.

Mt. Diablo Unit Plans Red Cross Swim Campaign

The Mt. Diablo chapter, American Red Cross today announced its summer swim campaign.

The pool at Acalanes High School will be used, and because of its depth, only children over four feet tall will be enrolled.

Lessons are free, and registration cards will be given at schools near the need of the school year. Cards are to be completed and both copies presented the first day of attendance.

Children will be admitted only during the designated session or in the last session.

The schedule is as follows:

Scholarships in Cakes-Pies Sale By Don Parents

The Acalanes Parents Club will sponsor its annual scholarship fund raising cake and pie sale tomorrow in stores in the three communities served by Acalanes High School.

The sale will be held at Wright Pharmacy and Sprouse-Reitz, Orinda, Super Saver Market and Food Center in Lafayette; and, Purity Market in Walnut Creek.

Parents hope to make enough money from the sale to offer several scholarships to graduating Don seniors this year. Cakes and pies are donated by mothers in the club. Parents who do not wish to contribute pastry have been asked to send in a money contribution to enable the drive to reach an adequate total.

Parents wishing to contribute last-minute cash or pastry donations may still do so by telephoning Orinda 2575. Community residents are asked to support the cake sale. This year's sale is being headed by Jack Janssen.

A telephone committee of more than 25 parents has been working the past three weeks to help promote donations to the drive.

Flying Skirts To Meet Cal Club In Aerial Duel

It'll look like a local Mig Alley tomorrow when the Flying Skirts, a women's flying club, holds an air meet with the University of California Flying Club at 9 a. m. at Buchanan Field.

Mrs. Kay McGeehon, president of the local group, said it should turn into a regular dogfight since the last and only time the two groups tangled two years ago the women won the contest and the trophy.

Judges will look mostly for precision flying such as spot landings, 180-degree landing approaches, and navigation problems.

Each team will enter one contestant in the various events. The Flying Skirts, Mrs. McGeehon said, will enter eight.

They are Mrs. McGeehon and Mrs. Joyce Haven of Walnut Creek; Joyce Farmer of Lafayette; Mrs. Sal Stetson of Gregory Gardens; Mrs. Betty Boggess and Jessie Schofield of Concord.

Also entered are Rose Amra Fisher, Oakland, and Hazel Roberts, Berkeley.

Small trophies will be awarded to individual high scorers of the day, Mrs. McGeehon said.

Mrs. McGeehon said the local club was organized in 1948, and that most of the women had learned to fly within the past six years.

"The meet's scheduled to begin at 9," she said. "But you never know—it all depends on when the mothers in the club can get their children into shape so they can come out."

Now in Final Quarter

High school students in both Las Lomas and Acalanes High Schools completed the third quarter of the 1951-52 school year last Tuesday. Report cards were distributed.

Students are now in the fourth and final quarter of the school year.

Quick Results at 'Bargain Counter'

Mrs. Adele Laine of 20 Summit Circle, Walnut Creek, was "overwhelmed" by the number of telephone calls she received in answer to the ad she placed in our Classified Bargain Counter last week.

Mrs. Laine received 18 calls Thursday, the first day the ad ran, and 27 calls altogether. She quickly sold the items she advertised, a baby Tenda for $5, a car crib for $2 and a twin size bedstead for $4.

The Walnut Creek homemaker feels her 75 cents spent for the ad was well worth it!

Acalanes 'Open House' April 28

Acalanes High School students and faculty are preparing for their annual "open house" program for the general public April 28, in connection with Public Schools Week.

The open house will be held in conjunction with the monthly meeting of the Acalanes Parents Club, whose regular April meeting has been postponed to that date.

According to Acalanes Principal Stanley Walgren, the general public is invited to attend the Parents' Club, view the 16 mm. color motion picture, "Acalanes Story," produced last year, and visit the numerous exhibits of school work and activities to be displayed by students and teachers in the various departments of the school.

"'Open house' programs give both parents and the general public an excellent opportunity to acquaint themselves more fully with the activities of their high school," Walgren said.

Lily Lahti, Acalanes dean of girls, is in charge of arrangements.

Sewing Classes At Adult Center

A varied schedule of classes in all level of sewing from basic to tailoring is being given by Acalanes Adult Center.

These classes are taught by Florence Schultz:

Monday, 7 to 10 p.m., basic sewing, Acalanes High School; Wednesday, 7 to 10 p.m., advanced sewing, Acalanes; Tuesday, noon to 3 p.m., dressmaking, Walnut Festival Recreation Center; Wednesday, 9 a. m. to noon, dressmaking, Walnut Festival Recreation Center.

Two classes are offered at Las Lomas High School on Wednesday, 7 to 10 p.m. Tailoring is given by Naomi Frisbie and dressmaking by Joan Hewitt.

Registration will be accepted at the time of the classes by the instructors.

Gamma Phi Beta Meet at Prexy's Home

Gamma Phi Beta alumnae of Contra Costa County held their monthly meeting last night at the home of their newly-elected president, Mrs. Donald E. Kientz of Grove Circle in Pleasant Hill.

The new officers for this group also include the vice-president, Mrs. Douglas Johnston; corresponding secretary, Mrs. Richard Peters; recording secretary, Mrs. Claude Davies; treasurer, Mrs. Walter Eric Christie.

In June, local alumnae will send a delegate to the national convention of Gamma Phi Beta, to be held at Coronado, Calif.

CALLING ALL SALESMEN

Our salesmen earn $200 to $500 commission per week, in the most revolutionary new sales program to hit the Bay Area in many years. This is a permanent position on a guaranteed salary and commission arrangement. A profit sharing program, included that will help you earn and share the profits that you have made possible for a well established and well organized business with many years of experience in this type of selling.

This plan furnishes families with the finest meat, poultry, vegetables, fruits and so on indefinitely at wholesale prices. Plus a home freezer to store food for a savings of about 1/3 of what they are now spending. The only thing wrong with this program is that it seems too good to be possible.

You can at last sell something with no gimmicks and no tricks attached. There is big money in it for you. Come in and talk to men who are now earning this commission that we have quoted above. Let them convince you that this is the type of business you should be in.

Phone W. C. 8951 for appointment, ask for Mr. Leone, 9 to 5 each day, Monday thru Friday.

99 Dogs in Mt. Diablo Club's Annual Obedience Trial Sunday in W. C. Park

By LYNN McKEE

SUNDAY IS THE BIG DAY! Rain or shine, 99 pure-bred dogs will compete for 70 trophies and special prizes at the Mt. Diablo Dog Training Clubs 5th Annual AKC Licensed Obedience Trial at Walnut Creek City Park.

Judging will start in three rings at 10 a.m. and will continue all day.

This is a marvelous spectator sport, and anyone who wishes to come and watch the dogs go through their paces is invited to do so. There is no admission charge. Plus the enjoyment of viewing some fine dogs will be the excitement of watching them obey the commands of their handlers.

In obedience, it's the performance and willingness of the dog that counts. Dogs ranging in size from tiny Pomeranian to the lumbering St. Bernard will heel, sit, stay, go over high jumps and broad jumps, retrieve, and show their keen sense of scent discrimination by returning objects which have been held by their handlers, then mixed in with like objects.

ONE OF THE LOCAL entries is Alva Wilkins of Walnut Creek, who will exhibit his English Cocker, Ch. Coon's Reflection of Norva.

Frank Snedeker, Lafayette, will be the lead-off man in the Novice A Class with His Nibs Baron Von Willmar, German Shepherd—first licensed trial for both Frank and Nibs.

Dr. and Mrs. George L. Kerrigan of Orinda have entered Shur Shot's Hi Caliber in Novice A. This dog is the only Golden Retriever in the event.

Ch. Her Eminince of Monty-Ayr, C.D., owned by Jack Moore of Orinda, is the only Bull Terrier entered. This dog, having earned her Championship in bench shows and the first obedience degree of Companion Dog (C.D.), is now out to earn the degree of Companion Dog Excellent (C.D.X.).

Robert Leininger, Walnut Creek, will show his young Boxer dog named Bhishma.

Milo and Marjorie Hanson, Lafayette, have entered one of their Bedlingtons, Rondeau Exotique. Peggy Bird of Walnut Creek, one of the youngest and most earnest members of the current obedience classes at the Walnut Festival Recreation Building, will handle this Bedlington.

Frank Awalt of Danville has entered his English Cocker dog, Alameda Prince, C.D.X., in the most advanced class, Utility. This dog will also be competing with 23 others in the Open B class, for the Charlotte Sibley Forever Kennels Challenge Trophy, a silver bowl valued at $100.

THIRTY FOUR DIFFERENT breeds of dogs will be represented. German Shepherds lead the list, followed closely by Boxers, Shetland Sheepdogs, Cockers and Poodles.

The Collie entry has dropped off a little this year, but it is good to see some Weimaraners and more Setters than ever before. Some of the less familiar breeds entered are Great Pyrenees, Borzoi, Irish Wolfhound, Norwegian Elkhound and Irish Water Spaniel.

Ruth Barcelon of Lafayette Meadows is the energetic chairman of the obedience trial. Judges will be Scott Roberts of North Hollywood, James Frey of San Francisco and Ben Glading of Lafayette. Dr. Maurice Boevers will again be the show veterinrian.

TOMORROW NIGHT, dog club members will gather at the home of Mr. and Mrs. Anson Bullock for a party in honor of the out-of-town judge, Roberts.

Following the trial, the dog club will have a cocktail party at Mr. and Mrs. Willard Hayes' home in Lafayette, then move on to the Acapulco for a banquet.

'Forest Prince' Operetta Tonight At Acalanes Gym

Adventures of the Cossack bands of old, foreign princes and kings will unfold this evening at 8:15 in the Don gym in the first Acalanes operetta presentation, "The Forest Prince."

To the familiar classical music of Peter Tschaikowski, a cast of more than 100 Acalanes students, directed by Acalanes music department head Richard Hansen, will perform.

Tickets, at 75 cents for adults and 50 cents for students, have been sold during the week at the high school and will be sold tonight at the door.

The operetta stars Lois La Bonte and Gary Shellenberger in the leading romantic roles. Others heading the cast are Janie Nodder, Nick Snel, Joanne Willits, Wayne Jacox, Dennis Midzor, Pat Gates, Phyllis Porter, Diane Osborn, Art Lessagne, Gordon Grigg, Betty Argo, Bill Powers, Phil Laing and John Champlin.

Featured players will be supported by the Acalanes mixed chorus, accompanists Nancy Carlson and Richard Knobel; the high school band and the Acalanes Modern Dance group, directed by Millicent Hamburger.

The general public is invited.

According to student promoters of the affair, a complete ticket sellout is anticipated.
